

# Company Profile

BunnyBasics stock a large range of toys, treats, and accessories for rabbits and guinea Pigs. Proprietor Tracey Shand told *Fur & Feather* "we work very hard to ensure that all our products are both suitable and affordable with some toys and accessories starting at only 30p. One of our core beliefs at BunnyBasics is to listen to our customers. It's only from listening to them that we can provide the service and products which they require. An example of this is the new BunnyBasics natural's range of unsweetened dried fruits, Hay products and exclusive natural grooming products especially for rabbits. We are also developing our own Christmas stocking for small animals full of natural goodies.

## How many people work for your company?

There is myself at present, my husband will be joining me in the near future, I hope to create new positions very soon.

## How long have you been trading and why did you set up the business?

BunnyBasics was launched in January 2005. The driving force behind BunnyBasics is my desire to provide fellow small animal owners with a one stop shop for all their requirements. As a rabbit owner myself I found the range of products available to me to be very limited. BunnyBasics was launched to bring as many products together as possible that suit all budgets. An example of this is our extensive range of litter trays and food bowls

## Are you heavily involved with the fancy (i.e. showing small animals)?

We are not involved in showing our rabbits but we did attend our first show in September as a spectator.

## Do you keep any stock yourself?

We have 5 wonderful house rabbits.

## How can people get in contact with you? Do you have a catalogue/brochure/website?

Customers can contact us by phone on 07040 401283 and Email Shop@BunnyBasics.net, Our websites are [www.BunnyBasics.net](http://www.BunnyBasics.net) & [www.Timothyhay.co.uk](http://www.Timothyhay.co.uk). Printable catalogues are available from the websites. Customers without web access can contact us by phone and we will be happy to send a copy in the post.

## Are there any special terms (such as minimum orders, postage costs or waiting times)?

We have no Special terms. All postage options are visible as you shop or from our terms and conditions page.

## BunnyBasics Most Popular Items

### BunnyBasics self serve treat box:

In essence it is very simple, a box filled with a selection of unsweetened dried fruits, a Timothy hay cube, Haybix and Alfalfa cube layered between our Timothy hay. The treat boxes are the first in the new range of natural products we are introducing exclusively for BunnyBasics.

**Small Animal play tent:** This is a tough wearing nylon covered dome tent in both rabbit and guinea pig sizes. The tent comes with velcro patches on the base to secure to carpets and loops to secure to grass using the pegs supplied. Inside there is a warm removable fleece lining to sleep on.

**Canadian Timothy Hay:** This is a first cut Timothy which is wonderfully green and gold in colour. Our Timothy hay has a very sweet fresh smell which should appeal to even the fussiest of animals. Canadian timothy hay has a very good fibre to protein ratio of 37% / 6-8%. Unlike other Timothy hay's available ours is pure Timothy and contains the whole stem (seed head, stalk and leaf). The Hay has been such an overwhelming success that we have launched a second website dedicated to it ([www.timothyhay.co.uk](http://www.timothyhay.co.uk)).
